

How you can have a say

You now have an opportunity to provide your comments on the proposals for waste management for the Buller district.

When preparing your submission, we would like you to think about the following points;

What are your views on the recycling proposals?

Council have identified two preferred sites using the site selection criteria. We wish to proceed with further investigation of these sites.

Do you have any information on these sites that you think Council should be aware of?

Do you know of any other sites, which meet the constraints criteria, that Council have overlooked?

Questions?

If you have questions, or would like more information on aspects of the landfill site selection or refuse projects included in the draft long term plan, you can speak to any of your elected representatives, or use the Mayoral clinics to discuss these with the Mayor and Chief Executive.

Please call Linda Pablecheque on (03) 788 9111 to book a time at any of the clinics above. Please ensure that you book at least 2 days before the clinic is to be held. If no bookings are received the clinic will not be held (due to travelling distances).
Alternatively, you can contact the Operations Manager, Steve Griffin, on (03) 788 9111 or by email on info@bdc.govt.nz

Buller District Council
2006 – 2016 Draft Long Term Plan

Submission Form

This is your chance to ensure the Mayor and Councillors understand your views about the proposed refuse projects.

All submissions will be acknowledged in writing. All submissions will be made available to the Mayor and Councillors who will consider the views and comments expressed when finalising the long term plan. All submissions form part of the Council agenda, which is a public document.

You are welcome to speak to the Mayor and Councillors to support your submission. Hearings will be held in June 2006. Please let us know if you wish to be heard. We will contact you closer to the date to arrange a time.

Your feedback on the landfill site selection process will assist Council in making the best decisions they can, collectively, for the future of Buller. We welcome your views on any aspect of these proposals (include extra pages if you wish). In particular, we would appreciate your views on the following areas:

Do you feel there are any additional constraint criteria that should have been considered? If yes, please state what these are.

As part of selecting a preferred site, all the criteria will be scored and weighted. Please tick the criteria that is most important for you, that you feel should be given the greatest weighting:

Social acceptability Cost of development Environmental aspects

What are your thoughts on the proposed sites? Please also provide advice about any other specific sites that may meet the landfill criteria.
